**FEATURED SPEAKER** Tabassum Majid, PhD,  
Director of Research, the Integrace Institute at Copper Ridge

Dr. Tabassum Majid has both a personal and professional passion in Alzheimer's disease and related dementias (ADRD). She received her Bachelor of Science degree from the University of Maryland, Baltimore County (UMBC) in Neurodegenerative Disorders of the Aged. She earned her PhD in translational medicine of ADRD from Baylor College of Medicine in Houston, Texas. She completed a post-doctoral fellowship at the University of Maryland, School of Pharmacy researching care management decision-making. She currently is an appointed member of the Maryland Governor's Council on ADRD and an adjunct faculty member at UMBC.
